The allergen information provided is based on Dutch Bros Coffee's standard food and beverage products using allergen information available from ingredient manufacturers or suppliers. However, variations in allergens may occur without notice due to changes in ingredient formulation or substitution, regional or seasonal differences, differences in product assembly, or other factors. In addition, please be aware that during normal operations ingredients may come in direct contact with shared preparation areas, equipment, utensils, and instances of contact with allergen-containing ingredients. Accordingly, we are unable to guarantee that all Dutch Bros. Coffee products are free of allergens.

All nutrition information is based on average values for ingredients and is rounded in accordance with current U.S. Food and Drug Administration (FDA) regulations. 2,000 calories a day is used for general nutritional advice, but calorie needs vary.

The nutrition information Dutch Bros(R) has provided is based on standard product formulations. You should expect some product variation and nutrient content variations which may occur based on regional differences, ingredient substitutions, seasonal conditions, differences in product production at the store, and suppliers. Some items listed may not be available in all stores. This list may not include test products, limited-time offers, custom orders, and regional menu variations.

Caffeine is an approximate value. Use in moderation. NOT RECOMMENDED FOR children, people sensitive to caffeine, pregnant or nursing women". The FDA recommends not more than 400mg of caffeine per day.

This nutrition information and allergen information for the nine major allergens identified by the FDA (milk, eggs, fish, crustacean shellfish, tree nuts, peanuts, wheat,soybeans, and sesame) is based on Dutch Bros Coffee's standard food and beverage product formulations using information available from ingredient manufacturers or suppliers. However, variations may occur without notice due to changes in ingredient formulation or substitution, regional or seasonal differences, differences in preparation techniques, or other factors. Some items listed may not be available in all stores. This list may not include test products, limited-time offers, custom orders, and regional menu variations. In addition, please be aware that during normal operations ingredients may come in direct contact with shared preparation areas, equipment, utensils, and instances of contact with allergen-containing ingredients. Accordingly, we are unable to guarantee that all Dutch Bros Coffee products are free of allergens.
